**ADD IT UP!** \_\_\_\_\_

## **7 points or less POSSIBLE NEED DETECTED**

SAFEMEDALERT is something that should be considered NOW to maintain an independent lifestyle, before a definite need arises.

## **8 to 13 points DEFINITE NEED DETECTED**

Our SAFEMEDALERT system will allow you to be more self-reliant during an unforeseen emergency situation.

Peace of mind is yours knowing help is at your fingertips.

## **14 points plus IMMEDIATE NEED DETECTED**

Physicians, family, and friends would all highly-recommend a SAFEMEDALERT Emergency Response System.

Caregivers and family members know that help is there, even when they are not.

Urgency is required, as life is too precious to risk on a second chance!!!
